Deliberative – Do Not Release

Susan,

Please accept my apologies for not including you on the earlier email transmitting this document. Attached please find a draft Programmatic Agreement to address Section 106 of the National Historic Preservation Act as it relates to Florida's submitted request to administer a permit program for CWA Section 404. This is the draft document we discussed on today's bi-weekly call.

The FL assumption team coordinated the current draft with OGC staff and management (Water Law Office and Cross Cutting Issues Law Office), OWOW staff and management (John Goodin), and EPA Region 4 staff and management (Leif Palmer and me). Below is some additional background on this draft document. Also, as I mentioned in the call there are comments in the document that indicate areas where we may have further discussion.

Please let me know if you need additional information or background.

Thanks  
Jeaneanne
